

Prep Steps Rewrites

Updates included in Expanded Edition (2022)

Overall, there are now two "scale" type studies and an added octave exercise for each key expanding from 8 to now 10 exercises per page. The exercise numbers have also shifted.

Most #1 and #2 exercises have been changed.

#1 exercises are a simpler version of the scale in major keys and a harmonic version in minor keys.

#2 exercises are an expanded version in major keys and melodic/expanded version in the minor keys.

Bb Major #8 (this one is new because #7 already featured octaves - the original #6)

F minor #6 (courtesy accidental added to m. 2, 5th note: E natural)

B minor #5 (articulation change in m. 4 - was slur four on first group, NOW slur 2 tongue 2)

B minor #8 (2nd ending added)

E minor #5 (courtesy accidental added to m. 3, 6th note: C natural)
